## Corporate Profile

# Introduction of Company

Established in 2007, **Naad Builders & Developers** has become a trusted name in residential and commercial development across Indore and Ujjain. With over a decade of experience, we have transformed the dreams of hundreds of homebuyers and commercial buyers into reality, providing high-quality, eco-friendly, and affordable homes and commercials equipped with modern amenities.

At Naad, we understand that buying a property is not just a financial investment but an emotional one. That's why we strive to provide properties that resonate with the hearts and minds of our buyers, while also being affordable.

With a portfolio of over 3,084 satisfied property owners and numerous investors, **Naad Builders & Developers** is dedicated to building not just properties, but lifelong relationships.

## Vision

Our vision is to create the most attractive investment opportunity for investors by offering a low-entry investment model with guaranteed returns. We aim to provide a secure and profitable platform where investors can achieve significant growth on their investments while minimizing initial capital outlay.

## Mission

Our mission is to create accessible opportunities for individuals to grow their wealth through real estate investment, offering both online and offline investment options. We cater to a wide range of investors, from low to high capital contributors, by providing flexible instalment plans that make real estate investment feasible for everyone
